I am writing this letter to recommend the services of Preferred Cleaning Service Inc. I have been using Preferred Cleaning for a little over a year now, and they consistently do a great job in my office building. Their employees are professional, punctual, and thorough.

We recently moved into a new building and the services we needed fluctuated and changed. Preferred Cleaning was flexible and adaptable to my needs.

Preferred Cleaning also provided me with a wide range of services, from new building cleaning, floor, and window cleaning. This saved me time and the hassle of finding a different vendor to handle semiannual tasks. I have never been anything less than completely satisfied by the work that Preferred Cleaning has done, so I confidently recommend them for all your office cleaning needs.

Sincerely,

A handwritten signature in blue ink that reads "Jocelyn White".
